FOR IMMEDIATE RELEASE

ORIGINAL LOGO OF THE ELECTORAL COMMISSION

I bring you warm greetings from the Electoral Commission.

It has come to the attention of the Commission that a number of media houses continue to use the old logo of the Commission when carrying stories on the Electoral Commission.

This comes to inform you that on Tuesday 4th December 2018, the Commission unanimously decided to revert to the original logo of the institution.

The original logo reflects the Coat of Arms of Ghana with a ballot box at the centre. It also depicts a hand casting its vote.

Kindly find attached the image of the Commission's logo.

We trust that going forward your media house will use this logo when carrying out stories on the Electoral Commission.

Thank you for your kind attention.
