## EXHIBITION OF THE VOTERS REGISTER OFFERS OPPORTUNITIES FOR CORRECTIONS

The attention of the Electoral Commission has been drawn to a new Voter ID Card circulating on social media indicating that the bearer of the card registered at Kasoa in the Central Region. The card gives the bearer's residential address as Kasoa in the Central Region and the District as Ayawaso North in the Greater Accra Region.

Our investigations have revealed that this was a result of an error by the Data Entry Clerk. This phenomenon is not unusual. It is for this reason that the law makes provision for voters to correct any errors with their data, during the Voters Exhibition Exercise. From Monday 15<sup>th</sup> July to Wednesday 24<sup>th</sup> July, 2024, voters will have the opportunity to review and correct any errors with their registration details.

We entreat citizens to remain steadfast and repose their confidence and trust in the Commission to deliver on its mandate.
